Cool Spool Knitting Craft

With just an empty wood spool, four nails, and a hammer, you can make your own spool knitter! First cast on the yarn, then show your child how to "knit" by looping the yard over each nail. The finished product, a yarn rope, can be worn as a bracelet, headband, or belt. Fun and easy!

Hand-Stitched Cards for Crafty Kids

Let your child put a little sparkle into their Easter greeting cards! Gather colored card stock, egg-shaped (oval) jewels, large-eye needle, and colored yarn. Card stitching is a great introduction to sewing on cloth! Free template at https://club.chicacircle.com/homemade-stitched-jeweled-easter-basket-card/

Wall Art Embroidery

Get your youngster excited about sewing! Buttons, beads, and bells are fun embellishments for children to stitch onto a burlap canvas. Let your child's imagination go freestyle! Display your child's artwork as a wall hanging.
