Farmers' Market

by Heidi Bee Roemer

To market, to market
for yummy fresh foods,
for muffins and breads,
too many to choose.

Into our bags we put
bagels and cheese,
honey and biscuits
and sunflower seeds.

Home again, home again,
no time to waste.
Peaches and plums—
Can't wait for a taste.

We slice up an apple.
We nibble on cherries.
Which fruit is my favorite?
Juicy blueberries!
