How to Make a DIY Telescope

<https://parents.highlights.com/how-to-make-diy-telescope>

Do you have an empty paper-towel roll?

Then you're well on our way to making a fun DIY telescope with your kids!

What You'll Need:

- Cardstock
- Cardboard tube
- Rubber bands
- Stickers
- Markers

1. Roll a piece of cardstock over a cardboard tube. Add rubber bands
2. Decorate your telescope with stickers and markers.
3. Pull the tube to make your telescope longer.
