

I Found a Seed!

by Heidi Bee Roemer

There's a great big secret
in this funny little seed--

[Spread arms wide.]
[Hold imaginary seed.]

Will grow into a pumpkin
or a dandelion weed?

[Make circle with arms, fingers touching.]
[Puff imaginary dandelion.]

Will it bloom into a sunflower?
Or a giant maple tree?

[Make fists; open fingers.]
[Stretch arms overhead.]

I'll plant it in my garden
and when it grows, we'll see!

[Make digging motion with hands.]
[Circle fingers around eyes.]
