Recommended Reading for "Weather You Can Count On"

	<p>Freddy the Frogcaster by Janice Dean</p> <p>Grades Videos Pk - 3. Freddy the Frogcaster loves learning about the weather. But what happens when the town picnic is almost ruined by a storm? Children and adults will love the charming frog world Freddy lives in and the fun science lessons he shares. Activities included. --<i>Jacket flap</i></p>
	<p>The Everything KIDS' Weather Book: From Tornadoes to Snowstorms, Puzzles, Games, and Facts That Make Weather for Kids Fun, by Joe Snedeker</p> <p>Grades 2 - 7. Filled with hundreds of exciting facts and thirty fun weather puzzles and games, <i>The Everything Kids' Weather Book</i> is perfect for finding out how a barometer works, which cloud is a nimbus cloud, what causes hailstorms - and everything in between! --<i>Jacket flap</i></p>
	<p>The Kids' Book of Weather Forecasting (Williamson Kids Can! Series) by Mark Bree</p> <p>Grades 2 - 6. With experiments, observations and activities children will learn to predict the weather by understanding the science behind it. From foggy mornings to sunny afternoons to our changing seasons, weather forecasting is a year-round science that children will have fun learning about. --<i>Jacket flap</i></p>
	<p>Chasing Storms and Other Weather Disturbances - Weather for Kids by Baby Professor</p> <p>Grades 2 - 8. "Why do scientists chase storms? It is because they want to learn about storms. This way, they can create a system to detect the intensity of storms and reduce effects on property and populations. In this book, you'll learn what the scientists have found out." --<i>Jacket flap</i></p>
	<p>Everything Weather: Facts, Photos, and Fun that Will Blow You Away (National Geographic Kids) by Kathy Furgang</p> <p>Grades 3 - 7. "All you need to know about weather will be found in the pages of this accessible book. Kids will also learn about real-life encounters with wild weather from tornado chaser, Tim Samaras. Packed with fun facts and amazing photographs, this book gives kids an in-depth look at these amazing natural phenomena." --<i>Jacket flap</i></p>
