Recommended Reading for "Antarctica, Antarctic-o!"

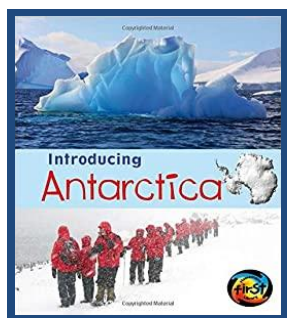

**Hello, World! Arctic Animals Board Book by Jill McDonald**

**Baby - 3 years.** How do Arctic animals eat, sleep, camouflage, and stay warm in such a cold environment? With simple text and bright, cheerful illustrations, this is the perfect board book to bring science and nature into the busy world of a toddler, where learning never stops.

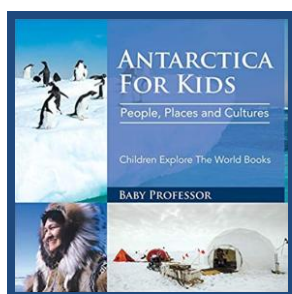

**Here Is Antarctica by Madeleine Dunphy**

**Grades Pk-2.** In this striking picture book, Dunphy uses a cumulative approach, combining lyrical verse with repetition to reveal the region's interdependency of life. HERE IS ANTARCTICA educates as it entertains, inspiring children to explore this fascinating ecosystem page by page.

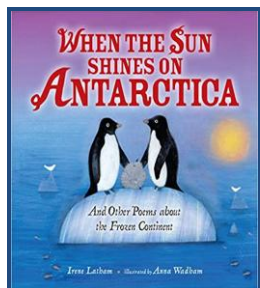

**Introducing Antarctica by Anita Ganeri**

**Grades 1-4.** Where is Antarctica? Does anyone live there? Do any plants grow in Antarctica? This book answers these questions and more as it introduces young readers to the continent of Antarctica through age-appropriate maps, engaging photographs, and simple text. Topics covered within the book include where the continent is, climate, geography, animals and plants, natural resources, and famous places.

**Antarctica For Kids: People, Places and Cultures - Children Explore The World Books by Baby Professor**

**Grades 1-4.** Come and explore Antarctica, only imaginatively! This educational book features Antarctica in all its diversity. Here, you can learn about all the amazing wildlife there, as well as the environment and the temperature too! It's a wonderful book to have, and is a perfect review tool that you child can use for school.

**When the Sun Shines on Antarctica: And Other Poems about the Frozen Continent by Irene Latham**

**Grades 4-8.** Experience summer like you've never experienced it before by traveling to Antarctica with evocative poetry. The sun rises, ice melts, grass grows, seals squabble, whales sing, and young penguins slide, glide, and belly flop. Whimsical illustrations and additional facts accompany each poem to provide further details about the animals and the environment.
