## Wee Steamers

# SOCK MATCH

[www.steampoweredpoetry.com](http://www.steampoweredpoetry.com)

Print this page on cardstock. Cut out the squares and ask your wee steamer to match the socks!

Option: Make a "memory" game by laying the cards plain side up. Ask your wee steamer to turn over a card, then try to find its match. If it matches, those cards are removed. If not, the card is returned face down and the game continues until all the cards are matched.
