

Doodle Lou's Fun with Sticky Stickers

www.steampoweredpoetry.com

Materials:

- White computer paper to print activity pages 1-5.
- An assortment of round, square, rectangular and star-shaped stickers
- Thin pointed marker(s)

Activities:

Print page 1: Make a necklace for the queen. Use an assortment of stickers to place on the line around the queen's neck. Decorate her crown with stickers.

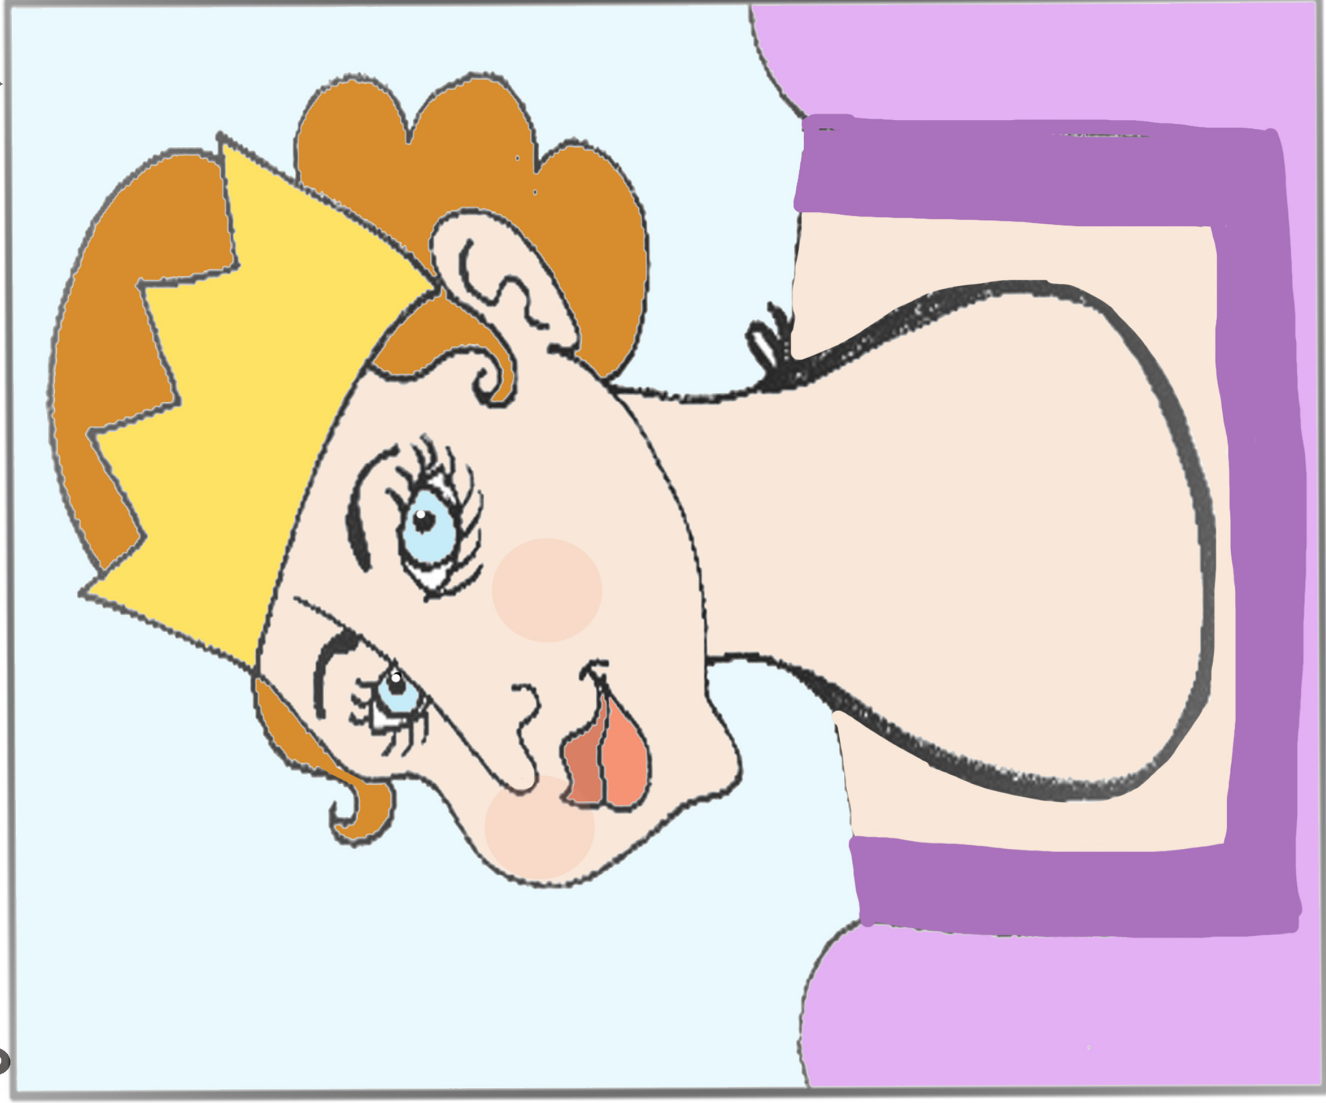

Print page 2: Circle Up. Use an assortment of stickers to place on the circle. Is it a wreath? Children playing a game on the playground? Or something else?

Print page 3: Make a train. Place stickers on the railroad tracks going up the mountain. Add wheels with the marker.

Print page 4: Build a skyscraper! Use the stickers to build a tall building. Add windows with the markers.

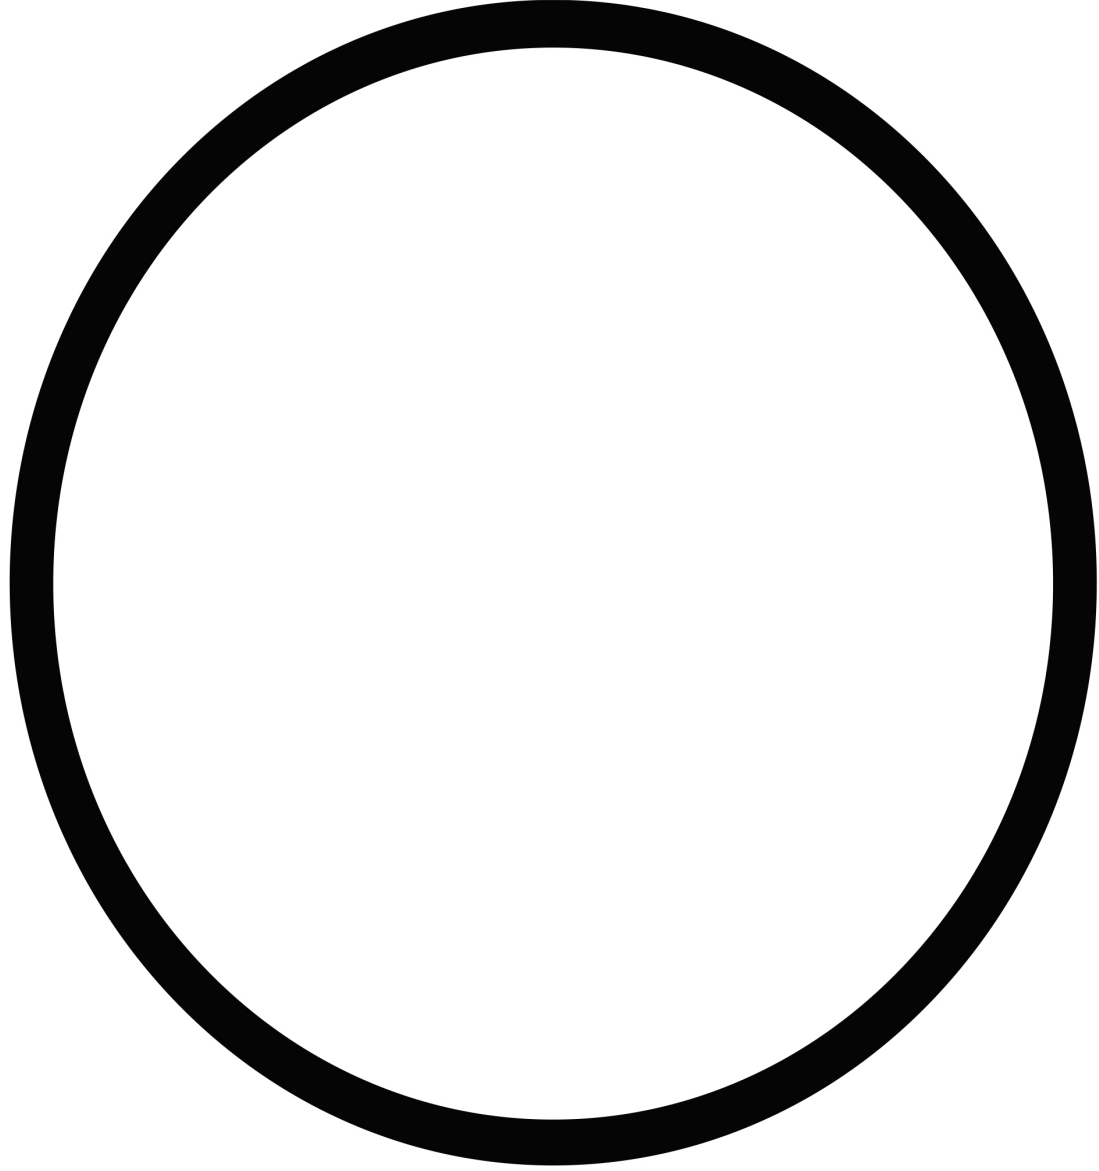

Print page 5: Make funny faces. Use stickers to make funny faces. Add details with the marker.

Page 1: MAKE A NECKLACE FOR THE QUEEN!

Use an assortment of stickers to place on the line around the queens neck. Decorate her crown with stickers.
