

Doodle Lou's
Sail with WILBUR the Whale!

www.steampoweredpoetry.com

Materials:

- Printer
- Scissors
- Glue
- hole punch
- 24" of twine

1. Print this page on cardstock.

2. Cut out the whale and fins.

3. Fold the whale and fins along dashed lines.

4. Glue fins to whale's body as indicated. Glue Both sides of the waterspouts and tail together.

5. Tie one end of the twine through both holes and knot.

6. Sail Wilbur on a slick floor by pulling on the twine.
