

*(To the tune of "I've Been Working on the Railroad")*

## Follow That Toad!

by Sheila Kerwin

I've been following that brown toad

All the livelong day.

I've just got to catch that brown toad,

But each time he gets away.

Can't you see that critter hopping?

Under the roots and trees?

Little leaper never stoppin'—

He's too fast for me!
