

Moving Art

by Heidi Bee Roemer

Delicate sculptures
Suspended in air.
Colorful clusters
Crafted with care.

Resplendent pendants
So calm and still. Until—
A breeze or a breath
Sets them dancing at will.

Some powered by motors
Or propelled by a touch,
Aesthetically pleasing.
Viewed with a hush.

Arial objects.
Whimsical notions.
Harmonious balance—
Artwork in motion.

NOTE: A mobile is a type of art sculpture that is suspended in the air and moves in response to air currents or motor power.
