### My New Remote

by Kenn Nesbitt

I bought a new remote control  
to turn on my TV.  
They said it worked with everything.  
I brought it home to see.

I aimed it at my puppy.  
Why not take a chance?  
I pushed the power button  
And my dog began to dance.

I aimed it at my parakeet  
And gently pressed rewind.  
It started singing backward.  
which completely blew my mind.

I tried it on my mother  
And she brought me chocolate cake.  
And that was when I might  
have made a really big mistake—

I accidentally clicked on pause  
while pointing at my face.  
Can someone please come click this thing?  
I froze myself in place.
