

CIRCLE & SQUARE GAME

www.steampoweredpoetry.com

Materials:

- Computer
- Printer
- White Cardstock
- Scissors

Directions:

1. Print two copies of page 2 and two copies of page 3.
2. Cut the borders off all pages and cut the cards in half at the red line.
3. Randomly stack the cards and place the stack face down.

To Play:

For one player: Have the child flip a card to reveal the face.

The child then places their fist on the circle shape, and says “circle” and their palm on the square shape and says “square”.

For more than one: Take turns revealing the cards around the table. One child at a time will have a turn placing their fist on the circle shape and saying “circle” and their palm on the square shape and says “square”. Return the used cards to the bottom of the stack.
