

PRESCHOOL ASTRONAUT SUIT

www.steampoweredpoetry.com

Materials:

- A printout of page 2.
- Crayons, markers, or colored pencils.
- Scissors/Glue
- Optional: colored paper and/or space, planet, or star stickers.

Directions:

1. Have your child use crayons, markers or colored pencils to color the space helmet from page 2.
2. Cut it out including the viewing window.
3. Slide a paper grocery bag over your child's head.
Use a marker to dot where your child's shoulders are and slip the bag off. Draw a loop to allow your child's arms to be able to move freely. (See image 1)
4. Slide the paper grocery bag over your child's head, ask your child to reach up to their face and put their fingers where their eyes are. Dot those places. (See image 2)
5. Remove the bag from the child's face.
6. Lay the space helmet on top of the dots where the child's eyes would appear and trace the opening on the bag.
7. Cut out the opening you traced on the bag.
8. Glue the helmet in place on the paper bag.
9. Let your child decorate the space suit with drawing tools, cut paper and/ or stickers.
10. Let space play begin!
