Take Me Up in a Rocket

by Sheila Kerwin

(To the tune of "Take Me Out to the Ball Game")

Take me up in a rocket,

Soaring high in the sky.

I want to fly past the moon and stars.

Maybe I'll fly all the way out to Mars!

Yes, I'm buckled in for the count down.

So sorry, I cannot stay.

Now it's three, two, one, here I go,

And I'm on my way!
