

Doodle Lou's **ball painting Art**

MATERIALS:

- A piece of all media paper or watercolor paper. (We used 12" X 18", but any size paper will work.)
- A cardboard box slightly larger than your paper.
- A few small balls, 1 inch in diameter.
- Several jars of acrylic paint.

DIRECTIONS:

1. Lay the paper in the cardboard box.
2. Scatter small dots of acrylic paint on your paper.
3. Place the balls inside the cardboard box.
4. Tip the box back and forth, and right to left. Watch the balls make tracks across your paper.
5. Stop when you think your work is finished.
6. Wash the balls before they dry.
7. Admire and display your artwork!
