SQUEEGE PAINTING

MATERIALS:

- A piece of all media paper or watercolor paper (We used 12" X 18", but any size paper will work.)
- A cardboard box slightly larger than your paper
- Masking tape
- Several jars of acrylic paint

DIRECTIONS:

1. Tape the top end of the paper to a piece of cardboard.
2. Scatter small dots of acrylic paint on the paper.
3. Use the squeegee to drag the paint from the top of your paper to the bottom. Watch as the design appear almost magically!
4. Repeat the process, only this time experiment by "drawing" stripes, dots, and squiggles. Try writing your name! Drag squeegee as before.
5. After the paint has dried, hang your abstract artwork on the wall for all to admire!
