

E-Reader! E-Reader!

by Heidi Bee Roemer

E-reader! E-reader! I love you, I do.

E-reader, you're really too good to be true.

You make downloading e-books so simple and easy.

I don't have to leave home to find books that please me.

E-reader! E-Reader! You take up the slack.

It beats lugging big bulky books on my back.

I still love my print books in an intimate way,

but E-reader, I feel that you're here to stay.

E-reader! E-Reader! I need you, it's true.

If I ever lost you, who knows what I'd do?

You're lightweight and sleek; you're so easy to stow.

You're a library I take wherever I go.
