

Humpty Dumpty's Eye *Egg-zam*

by Heidi Bee Roemer

Humpty Dumpty bumped into walls.
Humpty couldn't see well at all.
He squinted whenever he watched TV.
He held books close so he could see.

Humpty Dumpty took an eye test.
He didn't pass, though he tried his best.
The doctor said, "I know what you need.
A pair of glass will help you see."

Now Humpty doesn't bump into walls.
He doesn't squint or stumble or fall.
Glasses help him do better in school,
and Humpty's *egg-cited* 'cause he looks so *COOL!*
