Tasty Shapes

by Heidi Bee Roemer

My stomach's growling loudly and I know that's really rude,
but this *semi-circle* figure somehow makes me think of food:

Pita bread that's cut in half
and stuffed with gyros meat.
Pierogies! Chinese dumplings, yum!
My favorite take-out treats.

A taco shell that's folded up
and filled with meat and cheese.
Half a veggie pizza--
No anchovies, please.

It's fun to learn about *flat shapes* 'cause I like math a bunch,
but I wish I had *geometry* AFTER I've had lunch!
