

## Let's Go Sledding!

By Sheila Kerwin

[To the tune of "Go In and Out the Window"]

It's winter and it's snowing,  
It's winter, oh, it's snowing.  
It's winter, see? It's snowing.  
I'll go sledding with my friends!

Go sledding down the hillside.  
Go sledding down the hillside.  
Go sledding down the hillside.  
We'll climb back up again!
