Wash Your Hands!

by Darcy Day Zoells

Faucet on
Dirty hands wet
Faucet off
You're not done yet!

Smoosh the soap
Watch suds grow
Covering your palms
With foamy snow

Scrub your nails
Fingers—in between
From pinky to thumb
Until they're clean

Faucet on
Bubbles, bye-bye
Faucet off
Towels help dry

Before you eat,
Or after play
Wash your hands
Throughout the day!
